Title:	Approval of Revised Emergency Succession Plan	
<p>The Board of Trustees adopted an emergency succession plan on September 27, 2006, as it is essential to have a document in place which illustrates the process that will be followed in the event of an emergency and/or unplanned absence or resignation of the President. Throughout the years the emergency succession plan has been updated as necessary. The most recent revisions occurred on June 25, 2014.</p> <p>Due to changes to the titles and job duties of certain members of the President's executive team in recent years, it is once again necessary to make revisions to the Emergency Succession Plan. It is therefore requested that the Edison State Community College Board of Trustees approves the attached revised Emergency Executive Succession Plan for the temporary appointment of an Acting President in the event of an unplanned absence of the President of the College.</p>
