Dear President Valdez:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Technician program's accreditation as decided at its April 10, 2014 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program in Fall 2013.

Accreditation for your program will continue until April 30, 2021. As a result, your program will commence the continuing accreditation process with submission of the Self-Study Report on April 1, 2020 and the scheduling of a site visit during Fall 2020. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,

A handwritten signature in black ink that reads "Fred H. Rodriguez, MD". The signature is written in a cursive style with a long horizontal line extending to the right.
