THE SHOEMAKER FAMILY DYNASTY GRANTS

Thanks to an endowment from the Tom and Sandy Shoemaker Estate, two new funds have been established to provide scholarships and innovation grants. The Shoemakers were great champions of the community, with Tom serving on the Chamber Board, the First National Bank Board, and the Wilson Health Foundation. Sandy chaired the United Way Campaign, served on the Edison Foundation Board, the Dorothy Love Board, and the State OPRS Board, and helped foster significant growth while serving on the Community Foundation Board.

Charger Country Alumni Recognition

Charger Athletics Reverse Raffle
Drive for Scholarships Golf Scramble
Fifty Tree Project

Fifty Years of Talent Competition
Fifty Fest
Holiday Evening

Edison State Community College and The Edison Foundation commemorated the College’s 50th anniversary over the past year by organizing many events. Now it’s time to build on the momentum generated from our celebrations by embarking on the FiftyNEXT Capital Campaign.

Edison State must change to meet the demands of the community and the expectations of employers for the next fifty years. Projects funded through this campaign will broaden the opportunities for our students to choose career paths that will allow them to earn sustainable incomes. The expanded healthcare programs will enrich our communities by providing qualified employees to industries that have experienced hardships in finding enough qualified applicants to fill positions.

Further, we will create and maintain state-of-the-art, world-class facilities that are built with the future in mind.

This campaign, however, is not solely about raising money to advance our programs and facilities. Campaigns create excitement and raise awareness. FiftyNEXT offers a groundbreaking opportunity to share the **BOLD LEGACY** of who Edison State is today and the **BRIGHT FUTURE** of who Edison State aspires to become.

Emerson Center Library Renovation

West Hall HVAC Replacement

Nursing Building Addition

Engineering Technology Lab Renovation

Robotics Equipment

Convocation Center Expansion Project

For more information: www.edisonohio.edu/50next

15 of 50 trees have been sold for the 50th Anniversary Tree Gifting Project.

In recent years, the Edison State Community College Piqua Campus has lost many trees due to the removal of diseased ash trees, environmental factors, and building additions. To maintain a welcoming environment for students, faculty, staff, and the community, Edison State aims to plant 50 trees or more as part of its 50th Anniversary celebration. The College aims to maintain a vibrant and appealing exterior environment that reflects the high-quality education and support services offered within.

WHY WE DO THIS

*"Starting college later in life definitely presents its own unique challenges. By awarding me this scholarship, you have made my financial burden considerably lighter."
-Jennifer Wentz, Jackson Center, Accounting*

*"I am finishing my first semester back to college after eight years and doing so successfully. Thanks to you and your foundation I am one step closer to attaining my goal as a Nurse Practitioner."
-Katlyn Nartker, Troy, Nursing*

*"I hope one day I will be able to help students achieve their goals just as you have helped me achieve mine."
-Aspen Swayze, Saint Henry, Pharmaceutical Sciences*

*"By awarding me this scholarship I can relieve some of this financial stress put onto my family and I."
-Morgan Davis, Sidney, Physical Therapy*
