Class Policy Statements:

1. Course weeks run Monday through Sunday. It is your responsibility to ask the instructor about missed work.
2. Students are expected to complete their own original work. Cases of academic dishonesty, as described in Edison's [Student Handbook](#), will be addressed on an individual basis.
3. Exams/assignments/projects are to be submitted through Blackboard only and are due **by 11:59 p.m.** of the specified date. Points will be deducted for any late work submitted within a week of the deadline. **Submissions will not be accepted more than one week late** without prior approval of the instructor.
4. Since assignments/exams/projects are available via Blackboard for a window of time, it is expected that all students complete their work in a timely fashion. Be prepared for technology issues and utilize the various Edison campuses as a backup should your own system fail. It is *your responsibility* to arrange for make-up work as soon as possible following any excusable emergency.
5. Students should conduct themselves in a manner that is appropriate for the classroom (in-person or virtual) at all times and familiarize themselves with the prohibited behavior section of Edison's [Student Handbook](#).
6. Testing Your Faith Act Policy: Edison State Community College is committed to providing an environment respectful of students' beliefs. Students are permitted to be absent for up to 3 days each semester based on their faith, religion, or spiritual belief system with no academic penalty. Students must complete the Testing Your Faith Act Accommodations Form, https://www.edisonohio.edu/sites/default/files/2024-05/Testing_Your_Faith_Absence_Notification.pdf, located in "Forms" and provide a copy to their individual faculty within 14 days from the start of the course. The entire policy can be found in the student handbook at <https://www.edisonohio.edu/services-support/student-resources>.
7. The details of this syllabus can be altered if necessary at the will of the instructor.

Assignments & Evaluation Methods:

1. Chapter(s) to be covered for the week should be read before class and before completing the related assignments/test; Refer to the **weekly class schedule** (attached) to prepare yourself for each week of the course
