ASSIGNMENTS

Students will complete assignments online each week over the chapters. The assignments are written discussions, journals, essays, quizzes, and a midterm exam. Each assignment has a target goal to be met. To complete them, student must read the chapters first. Then, go through the questions and answer them. The book and all scholarly sources can be used to complete assignments.

PRESENTATION

Students will each create a 7-10-minute presentation to be given in class over a topic from a list concerning topics. The presentation will give a detailed overview of the topic. Only books and journals can be used for the research, no internet, magazines, newspapers, etc... The only exception is the statistics that are validated, like .gov sites. Students may use a gov website to gather their stats. A rubric will be supplied with the guidelines and grading rubric for the project.

FINAL GRADE STANDARDS

The final grade for the course will represent your instructor's assessment of the overall quality with which you met all the requirements of the course.
