B (80%-89%) [960 – less than 1079 points]

C (70%-79%) [840 – less than 959 points]

GRADING in MyESCC: A **Mid-term grade** and a **final grade** will be reported in MyESCC. The work used to determine mid-term grades will be specifically outlined by your instructor.

GRADES

Your grades for this class are reported in Blackboard. Use POINTS in Blackboard to determine your final grade. Do not use the average that Blackboard displays. The method that Blackboard uses to compute an average can be deceiving. Your final grade in the class will be determined by the total number of points that you have earned. Your instructor will apply your total points to the grade scale (above) to determine your final letter grade in the course. **If you are working on assignments but grades do not show/populate, then you have more steps to complete to finish the assignment. Remember that unless you get all of the questions correct on a SAMPath assignment, there are 3 parts that must be completed. If you don't see a grade, you need to complete more work.

An **incomplete** ("I" grade) can only be given if you have:

1. Tested regularly and in accord with the course schedule up to the last withdrawal date.
2. Completed all the requirements up to the withdrawal date.
3. Received a passing grade on all work.
4. Provided a documented, verifiable reason for being unable to complete the course.

To receive an incomplete, you **must** meet all the criteria listed above. An incomplete grade cannot be given after the grades are turned in to the Registrar's Office.

In our Blackboard course, there is a menu item called **COLLEGE POLICIES**. By selecting the **COLLEGE POLICIES** menu item, you are able to see current information and policies in the following areas: Edison Student Handbook, Edison Community College Catalog, Academic Honesty, Core Values, Disability, Diversity, Important Dates, Dropping/Withdrawing Classes, General Education Outcomes, Student Services, Attendance & Participation, Grading Criteria, and Response Time.
