Class Policies

Netiquette:

We will be communicating a lot with each other. You will need to be respectful of the instructor and each other. Your classmates' ideas and beliefs may differ from your own, be polite! When in doubt, you can agree to disagree. You will be expected to communicate with your classmates and your instructor using appropriate language and style, which includes written/typed communication. Remember: the way you communicate can reflect the level of respect you have the people with whom you communicate. You will want to practice good e-mail etiquette when typing questions/responses to the instructor and classmates, such as avoiding using all caps when typing or using an accusatory tone.

Communication Policy:

E-mails sent to me by 4:00 p.m. Monday-Friday with course name and section number (ELT 241 501US in the subject line from your Edison e-mail will be answered within 48 hours unless the school is closed (breaks/holidays). **All assignments must be submitted through Blackboard.**

Late Work:

All Projects must be completed by the end of the semester. Any projects not completed by the end of the semester will receive a score of zero.

Academic Integrity:

Edison Community College expects students to submit original work for each assignment. The Student Handbook

<https://www.edisonohio.edu/digipub/StudentHandbook/index.html> , pages 28-29 clearly defines academic dishonesty and how Edison handles cases of academic dishonesty.

Using peer support and tutoring services is not considered academic dishonesty, as long as the work is original and in your own voice, meaning you didn't submit work you did previously or "borrow" words/ideas without crediting the source

Testing Your Faith Act Policy

Edison State Community College is committed to providing an environment respectful of students' beliefs. Students are permitted to be absent for up to 3 days each semester based on their faith, religion, or spiritual belief system with no academic penalty. Students must complete the Testing Your Faith Act Accommodations Form, <https://www.edisonohio.edu/services-support/registration-records>, located in "Forms" and provide a copy to their individual faculty within 14 days from the start of the course. The entire policy can be found in the student handbook at <https://www.edisonohio.edu/services-support/student-resources>.

Technical Support
