DEFINITIONS

Physical Books

Physical book titles owned or leased by the library if individual titles are cataloged and/or searchable through the library catalog or discovery system.

Exclude serials, microforms, maps, nonprint materials, and uncataloged items.

Include music scores if searchable by title through the library catalog or discovery system.

Include government documents that are accessible through the library's catalogs regardless of whether they are separately classified and/or shelved.

'Cataloged' includes documents for which records are provided by the library or downloaded from other sources into the library catalog or discovery system.

Physical Media

Microforms, audiovisual materials, cartographic, and graphic materials and three-dimensional artifacts and realia.

Physical Serials

A serial is a publication in any medium issued in successive parts bearing numerical or chronological designations and intended to be continued indefinitely.

This definition includes, in any physical format, periodicals, serial titles on microform, newspapers, and annuals (reports, yearbooks, etc.);

the journals, memoirs, proceedings, transactions, etc. of societies; and numbered monographic series.

Digital Media

E-media materials are media materials that are in digital format and are available for download or streaming.

Include digital graphic materials and cartographic materials.

Digital Serials

An e-serial is a periodical publication issued in successive parts bearing numerical or chronological designations, is intended to be continued indefinitely, and is

published in digital form to be displayed on a computer screen in any medium. This definition includes digital and digitized periodicals, newspapers, and annuals (reports, yearbooks, etc.); the journals, memoirs, proceedings, transactions, etc. of societies; and numbered monographic series.
