

President's Report to the Edison State Community College Board of Trustees August 21, 2025

➤ President's Office

- Edison State will host Congressman Mike Carey for a “walk and talk” tour of the Piqua Campus on August 28 at 2:30pm. We will emphasize the need for funds to complete the Engineering Lab and Classroom Renovation project.

➤ Academic and Student Affairs

- As of August 17, headcount for the Fall 2025 Semester is up by 3.5% while credit hour enrollment is down by 1%. The Fall 2025 Semester begins on August 25. Final enrollment numbers will be reported at the September Board meeting.
- The West Central Ohio Manufacturing Partnership recently selected Edison State Community College student Noah Roy, of Sidney, as a recipient of one of five \$1,000 scholarships. Lew Modic, WCOMP Director, and Edison State Workforce Success Specialist Dr. Roger Fulk, who served as a member of the WCOMP Selection Committee, presented Roy with his award at the association's May membership meeting held at Wright State University–Lake Campus.
- Congratulations to Stacey Bean, Edison State's Director of K-12 Partnerships, on starting her role as President of the Ohio Academic Advising Association on July 25. Stacey was elected as President-Elect of the association back in 2024.
- Congratulations to Jessica Hoying, Assistant Registrar, on recently completing her Bachelor of Science degree in Applied Management!

➤ Operations/Facilities

- Edison State has taken the first step in the construction process for the Nursing Wing Addition. We have engaged the Ohio Facilities Construction Commission (OFCC) to manage the project. They will begin by preparing the architectural design work to go out for bids. Currently, the College has raised \$4 million of the \$4.5 million needed for the project.
