Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called V4 verification. V4 verfication requires a valid unexpired form of identification as outlined below.

The student must appear in person at Edison State Community College or to a Notary Public to verify identity by presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. The institution will maintain a copy of the student's photo ID with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.
