Get STARTED

APPLY TO EDISON STATE

To participate in Honda's Equipment Service Co-Op/Internship, students must be enrolled in an associate degree program, such as **Electro-Mechanical Engineering**.

Note: Certificate pathways, including Automation and Robotics and Electro-Mechanical Engineering certificates, are embedded within the degree program and can be earned through selected course options.

Submit an Application

Apply online at www.edisonohio.edu/getstarted.

Provide Your High School Transcript

Once you apply, we'll review your transcripts and help you find the right starting point—no guesswork.

Register for Classes

Set up an advising appointment to discuss academic planning, including any additional placement tests that may be required prior to course registration.

CO-OP/INTERN AT HONDA

Apply as early as your first semester for the **Equipment Service Co-Op/Internship** online at careers.honda.com

Tip: Apply for the co-op at least 6 months before your desired start date.
