

OFFICE OF STUDENT AFFAIRS VETERANS' SERVICES MILITARY CREDIT POLICY

PURPOSE

The purpose of this policy is to affirm Edison State Community College (ESCC) institutional support and commitment for Veterans and Service-members so that they may attain their educational goals while ensuring that our College's Veterans are awarded credit for Military schools, training, classes and experience.

POLICY STATEMENT

Edison State Community College shall provide institutional support and commitment for Veterans and Service-members by establishing and executing a process to review and award college credit to Veterans and Service-members for appropriate military schools and experience. To better serve our Military connected population, Edison State Community College has adopted this policy as required by Ohio Revised Code Section 3345.421(B)

PROCEDURE

The Registrar shall review, revise, supervise and periodically update, as appropriate, implementation of this policy. The Registrar shall continue to utilize Military Transfer Assurance Guides, and Service specific programs to ensure that Veterans and Service-members maximize college credit awarded for Military schools, training, classes and experience.
