

Edison State CCP Scholarship

Information & Eligibility Requirements

Edison State provides generous scholarship opportunities to CCP students looking to complete their college degree!

- Students who have earned between **9 and 44.9 credits** through the CCP program at Edison State may be eligible to receive a scholarship for 50% off tuition* when they continue at Edison State.
- Students who earned **45 or more credits** through the CCP program at Edison State may be eligible to receive a scholarship for 100% off tuition* when they continue at Edison State.

Additional Information & Eligibility Requirements

CCP credits used to establish CCP scholarship eligibility must be completed at Edison State.

- CCP coursework that has been completed at other institutions will not count towards scholarship eligibility. However, these credits may be transferred to Edison State to help meet degree/program requirements.

To establish CCP scholarship eligibility, students must enroll at Edison State in either the summer or the fall semester immediately following their high school graduation.

- Students should meet with a Career Pathways Advisor to submit a Major Declaration form and to register for classes
- Students must then stay continuously enrolled at Edison State (*fall and spring semesters*) to continue receiving the CCP scholarship.
- Once established, CCP scholarship eligibility will continue for each continuously enrolled semester until degree completion OR the completion of 70 total credit hours, whichever comes first.

To establish CCP scholarship eligibility, students must file the FAFSA by the recommended filing date. Students must accept any grants and/or scholarships that may be awarded before receiving the CCP scholarship.

- FAFSA recommended filing dates: Summer semester: May 1st; Fall semester: August 1st

The CCP scholarship is a last-dollar scholarship that is only applied to students' accounts after all other grants and/or scholarships are awarded.

- If other forms of financial aid cover tuition charges for the semester, the CCP scholarship will not be applied. However, once eligibility is established, CCP scholarship review will continue until degree completion or the completion of 70 credit hours.

The CCP scholarship discount applies to tuition charges at Edison State.

- *Semester-based tuition fees are charged per credit hour and include instructional fees, general fee, technology fee, activity fee, & career services fees.
- All other charges and fees are excluded from CCP scholarship coverage. Excluded charges include (*but are not limited to*) lab fees, course fees, security fees, transcript fees, online & Web Flex fees, & textbook costs.
