

Resolution FY 2013-07

Adoption of the Public Posting of Information and Materials Policy

WHEREAS, the current “Distribution and Posting of Materials Policy” is no longer current, and

WHEREAS, it is common practice for public colleges and universities to provide bulletin boards and similar venues for the posting of informational materials for the promotion of academic, cultural, and extracurricular events as well academic programs, employment, services for students, and other institution-related information, and

WHEREAS, it is also common practice for public colleges and universities to provide bulletin boards for college faculty, staff, and students to post flyers and flyers to share information or express their opinions, and

WHEREAS, posting such information on painted surfaces, windows, and doors damages College property, creates an unsightly campus appearance, and can interfere with safety and security procedures;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of Edison Community College that the Department of Administration and Finance shall create and administer procedures, which shall be updated from time to time and reviewed and approved by the President’s Cabinet, to regulate and facilitate the posting of materials.
