

## RESOLUTION FY 2013-12

### Amendment to the Laboratory Fees Schedule – MED 291R

WHEREAS, the Certified Medical Assistant (CMA) credential is important for employment in the field of medical assisting and,

WHEREAS, students in the medical assisting program will benefit from utilizing CMA examination preparation materials and taking the (AAMA) CMA Certification Examination and,

WHEREAS, students will benefit from having CMA examination preparation materials provided to them in class and the (AAMA) CMA examination expense built into the course fee and,

WHEREAS, the number of students taking the (AAMA) CMA examination upon completion of the Medical Assisting program is important to meeting accreditation standards,

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Edison Community College that the lab fee schedule be amended to include the following lab fee effective with summer semester, 2013 (2012US).

Course	Title	Previous Fee	New Fee
MED 291R	Medical Assisting Internship Seminar	None	\$160.00 (\$35.00 prep materials; \$125.00 exam fee)
