

RESOLUTION FY 2014-05

Amendment to the Laboratory Fees Schedule – NUR 275S

WHEREAS, Registered Nurse Licensure is necessary for employment in the field of nursing, and

WHEREAS, students in the nursing program will benefit from completing a NCLEX examination review course prior to graduation, and

WHEREAS, NCLEX pass rates are critical to nursing program outcomes, and

WHEREAS, inclusion of a NCLEX review course in a nursing program is commonplace among nursing programs statewide, and

WHEREAS, the NCLEX review course can be offered on Edison’s campus at a cost lower than other established review courses, and

WHEREAS, students will benefit from having the NCLEX fee incorporated into lab fees, and

WHEREAS, the NCLEX review course has been offered to students as an optional course in the past with positive feedback,

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Edison Community College that the lab fee schedule be amended to include the following lab fee effective with spring semester, 2014 (2013SS).

Course	Title	Previous Fee	New Fee
NUR 275S	Caring for Childbearing Families/ Integrating Learned Nursing Concepts	\$146.00	\$321.00
